**JOINT MOTION FOR CORRECTION OF COURT ORDER
AND DEFERRAL OF COMPLIANCE DATE**

All parties, by their undersigned counsel, hereby respectfully request the correction of certain issues in relation to this Court's Order and Memorandum Opinion of September 29, 2008 [16, 17], as follows:

1. The Order does not address the status of four documents whose withholding or partial withholding the plaintiff continues to contest — specifically, Documents 18a, 46, 49, and 54.
2. Among the documents that the Order requires the defendant to submit for in camera review is Document 15a, whose withholding the plaintiff no longer contests.

Accordingly, the parties respectfully request the following:

- That the Order and Memorandum Opinion of September 29, 2008, be amended (a) to address, as the Court may see fit, the parties' dispute regarding Documents 18a, 46, 49, and 54, and (b) to omit Document 15a from the documents to be submitted for in camera review; and

- That defendant's deadline to comply with the Order be deferred until (a) 30 days after these matters are resolved, if the Court orders the submission of additional support for defendant's withholding of any of the documents listed in paragraph 1 above, or (b) 10 days after these matters are resolved, if the Court does not order the submission of any such additional support.
