**Detailed Job Description of Employment Listed Above:**

At the present time I am a Senior Economist at Commonwealth Consulting Group, Inc., 1491 Chain Bridge Road, McLean, Virginia. My responsibilities are centered in the following areas:

- (1) performance of economic and financial analyses aimed at determining the fair rate of return for public utilities operating in the telephone, electric, gas distribution, gas pipeline and

water industries;

- (2) performance of economic analyses to determine the proper allocation of costs in such public utilities, which serves as the basis for establishing appropriate rate structures;
- (3) preparation of expert testimony, rebuttal and cross-examination to be presented before state public utility commissions as well as before federal regulatory agencies;
- (4) presentation of expert testimony before state public utility commissions and federal regulatory agencies; in this context, I have testified in over two hundred rate cases in fifteen states and the District of Columbia, as well as in cases before the Federal Energy Regulatory Commission, the Federal Communications Commission, the Canadian National Energy Board, and the U.S. Postal Rate Commission;

As President of RL, Inc. my responsibilities include preparation of expert testimony in legal actions involving economic loss as a result of death, injury or discrimination and the presentation of testimony in such cases; I have testified in some seven hundred such cases and have been qualified as an expert witness in the District of Columbia and in the states of Maryland, Virginia, Nevada, New York, North Carolina, Pennsylvania, West Virginia, Louisiana, Georgia, California, Nebraska, Kentucky, Tennessee, Florida, and North Dakota. The following is a partial list of the law firms and other organization with which I have worked in this capacity:

Cadeaux & Taglieri; Washington, D.C.

Ashcraft & Gerel; Washington, D.C., Maryland and Virginia
