## **MEMORANDUM IN SUPPORT**

Plaintiffs seek an unopposed extension of time to file their Opposition to Defendant Michigan Department of Agriculture's ("MDA") Motion to Dismiss First Amended Complaint. MDA does not oppose this request for extension.

MDA filed their motion to dismiss on February 19, 2009. Under the Court's local rules, a response is due in 11 days. See LCvR 7(b). However, Plaintiffs' counsel's professional work prevented the drafting and filing of a response on or before March 2, 2009. Plaintiffs' counsel was out of town interviewing a client in Illinois on February 20<sup>th</sup> and was a presenter at the Ohio Ecological Food and Farm Association annual conference on February 21, 2009.

Plaintiffs' counsel also had depositions, three appellate briefs, and an opposition to Defendant United States Department of Agriculture's ("USDA") motion to dismiss that was filed in this case that consumed his time during the week of February 23<sup>rd</sup> after receiving MDA's motion to dismiss. Thus, Plaintiffs' counsel was unable to devote sufficient time and attention to drafting an opposition to MDA's motion to dismiss and have it filed by March 2, 2009.

In addition, MDA's motion to dismiss is 40 pages in length and cites to at least 25 cases and numerous sections of federal and state statutory and regulatory law. Thus, it will take extensive time beyond March 2<sup>nd</sup> to properly review, read and digest all of these cases and legal citations.

Also, Plaintiffs filed an identical unopposed motion for extension of time to respond to USDA's motion to dismiss, which was granted by the Court. Plaintiffs apologize to the Court if a memorandum in support demonstrating just cause was

required in this case and instead inappropriately filed the same unopposed motion for extension in MDA's case as well. Both motions, however, seek an extension until the same date, March 23, 2009.

Plaintiffs do not seek an extension for purposes of delay. Plaintiffs merely wish to adequately brief and present these important issues to the Court so that it can make an informed decision on the merits of MDA's motion. For this, Plaintiffs need an extension.

Consequently, just cause exists for an extension of time until March 23, 2009 and Plaintiffs respectfully request it should be granted.

Respectfully submitted,

Dated: February 28, 2009
