**DECLARATION OF MICHAEL NEWDOW**

---

I am a citizen of the United States, a resident of the State of California, Reverend of the First Atheist Church of True Science (“FACTS”), a member of the Freedom From Religion Foundation (“FFRF”) and the American Humanist Association (“AHA”), and an Atheist. I plan to view the 2009 Inaugural ceremony via the large video displays being set up on the Capitol mall.

I viewed the 2001 presidential inauguration on television, and actually had a ticket for the 2005 inauguration. However, solely because those orchestrating that event refused to eliminate the use of (Christian) Monotheistic clergy during the ceremony, I did not attend that inaugural. Because I have a keen interest in our nation's government generally, and in the inaugural ceremonies in particular, I plan to view every future inauguration for the rest of my life. Being age 55 and in good health, I expect that I will view at least six more inaugurals after the one occurring on January 20, 2009.
