Subject: Meet & Confer wrt 08-0442 Motion for Clarification and Reconsideration

Counsel:

In each of your cases in which the parties have not agreed to a stay, the government intends to file a motion for clarification and reconsideration of the Court's November 6, 2008 case management order (and supplemental amended orders, where applicable), or in the alternative, a motion for certification for appeal and to stay certain obligations pending appeal. The basis for this motion is that the November 6, 2008 procedural order is legally inappropriate and unworkable. Please advise if you oppose the motion by noon, ET, on Monday, November 17, 2008. When you respond, please indicate the case number and petitioner to which your response applies. Thank you.
