JOINTLY PROPOSED ORDER

The Court having considered Petitioner's discussion and proposed modifications to the Case Management Order ("CMO") entered by Judge Hogan, particularly ¶ I. B. requiring Respondents to submit a "Legal Justification" for detaining Petitioner; and

The Court having heard oral argument on the question whether Respondents' submission complies with that provision of the CMO;

NOW therefore it is declared and ordered that

1. Said submission by Respondents does not comply with the CMO ¶I. B. , and

2. Respondents shall by December 9, 2008 file an amended statement of "Legal Justification" for petitioner's detention.

Dated: December 5, 2008

United States District Judge
