**APPENDIX**

Pursuant to this Court's order of December 17, 2008, the Government presents this appendix of classified information to further support its contention that there are similar factual issues involving these petitioners. As the Government noted in its unclassified filing, it presently seeks consolidation of these petitions before a single judge. The Government has not taken a position as to whether these petitions should be further consolidated for the purposes of merits hearings. Consequently, the common factors listed below need not apply to each and every one of these petitioners, it is sufficient that the factors detail overlapping groups that would facilitate consolidation before a single judge.

The Government believes that the [REDACTED] common denominators for these petitioners are that:
