**EMERGENCY MOTION FOR LEAVE TO FILE SUPPLEMENTAL
DECLARATION IN SUPPORT OF EMERGENCY MOTION TO COMPEL
ACCESS TO MEDICAL RECORDS OF PETITIONER ADNAN FARHAN
ABDUL LATIF AND FOR OTHER MISCELLANEOUS RELIEF**

Petitioner Adnan Farhan Abdul Latif respectfully asks leave to file the attached supplemental declaration of counsel (Ex. 1) in support of his emergency motion to compel access to his medical records. On September 5, 2008, Mr. Latif again attempted suicide at Guantánamo, this time by biting off and swallowing ten inches of the plastic tube that was being used to force-feed him. This new information is relevant to the pending motion. The events described in the attached Second Declaration of Mark D. Falkoff provide further reason for this Court to allow counsel access to Mr. Latif's medical records. Respondents take no position on the motion.

Respectfully submitted,

/s/
