Dear Ms Foster

Please find attached my completed form requesting a visit to Guantanamo to see my client Moammar Dokhan in Dokhan v Bush (08-0897; 08-0442 (TFH)).

In filling out this form, I realized that while I have an MOU filed in court for another case (many years ago) I do not have filed in this case, which was recently filed and for which a PO was only recently entered. I will do that as soon as possible, no later than the beginning of next week.

Please let me know if you have any other questions.

I realize that you already have a group from Allen and Overy visiting GTMO in the same week. One of the reasons I chose that week is because one of the attorneys, Scott Sullivan, represents those clients as well as Mr Dokhan and will be in GTMO then. I've also listed Ashraf Michael as our interpreter because he will be there already as well. For convenience sake, I'd like to try and visit at the same time. Please let me know if there is anything I can do to facilitate my request.

Best,
