**CONSENT MOTION TO ENLARGE TIME TO FILE ANSWER
OR OTHERWISE RESPOND TO COMPLAINT**

Defendant, the Federal Trade Commission (“FTC”), respectfully requests an additional fourteen days to file an answer or otherwise respond to the complaint in this case. This case arises under the Freedom of Information Act (“FOIA”). Pursuant to the Court’s Minute Order of June 10, 2011, FTC’s answer is currently due July 15, 2011. EPA requests a new deadline of July 29, 2011. Counsel for Plaintiff consents to this motion.

Good cause exists for the Court to extend the deadline under Rule 6(b)(1)(A) because the parties are actively exploring a possible settlement of the case. Counsel for the parties met face-to-face this week and, as part of their ongoing discussion, agreed that it made sense to ask the Court to delay the deadline for FTC to file its answer, in the hopes that a final agreement could be reached to resolve the case.

This is the FTC’s second request to extend this deadline. A proposed order is attached.
