The difference is the codification people wrote it down to let the people know, the standards people did it to try and own the knowledge.

Carl Malamud @carlmalamud · May 2

Codification zealots of 1800-1850 like the standardization zealots of 1950-2000. Both wanted to write it all down.

Anybody out there use Firstgiving + IndieGogo (that's a certified nonprofit crowdfund)? \$500 for Firstgiving, but fee percentages go down.

Carl Malamud @carlmalamud · May 2

Preordered my copy of State of Paranoia. [theguardian.com/world/2014/may...](http://theguardian.com/world/2014/may...) Very lonely planet guide to Pyongyang.
