PARTICIPATING MEMBER:

<http://www.astm.org/MEMBERSHIP/participatingapp.html>

1. Choose committees

Technical Committees
Membership
Students & Professors
Meetings & Symposia

Participating Membership Application

Join Main Committee

Select the main committee of interest to you from the drop down menu below.

(Note: While you will have the opportunity to join additional committees later in the application process, it is recommended that new members start with one or two committees.)

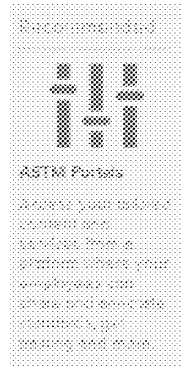

Join Subcommittees

Select subcommittees for the committee you chose. Use your computer key to select more than one; for Mac use the command key. To identify the relevant subcommittees of interest, [View the list of Standards, Subcommittees and Work Items.](#)

Please check your organization's primary activity or if it relates to the scope of the committee's standard activities.

Manufacturer of product/service
 Sales/distributor of material/product/service
 Supplier of Service
 User/purchaser of product/service
 Testing of product/service
 Consulting firm / Independent Consultant / Retired but actively consulting
 Research and development
 Government Agency
 Academic
 Consumer
 Retired, unaffiliated
 Other, please specify:

Choose a committee Choose a subcommittee Select a subject Choose a committee

Selection of a main committee as well as a primary activity is required to move on.

One Free Volume

The collection of ASTM standards is maintained in a series of volumes that collectively comprise *The ASTM Book of Standards*.

The volume(s) for the committee(s) you selected is in the pull-down below. Or, you may select a different volume.

Volumes for the committee(s) you chose:

OR, select another volume:

Note: Volume titles have been truncated for display purposes. [Click here](#) for a list of full volume titles and publication dates for print/CD-ROM versions.

Select volume format:

[Learn more](#) about free volume format options.

No, I do not want a member volume. Click Continue to place your membership in the ASTM shopping cart.

I agree, by my participation in ASTM and enjoyment of the benefits of my annual membership, to have transferred and assigned any and all interest I possess or may possess, including copyright, in the development or creation of ASTM standards or ASTM IP to ASTM. For additional information, please see the [ASTM IP Policy](#).

Recommended

ASTM Forum

Receive early volume updates and updates from a digital volume subscription. For more information, visit [astm.org/astmforum](#).

Volumes are refined based on committee choice in first dropdown, with the option to select a different volume in the second dropdown. Select volume format maintains its blank status so that users must view all options equally before selecting. If a basic volume is chosen, the following 'upgrade to plus' prompt will appear.

Selecting "No" will forward the user to checkout (#5).

- Technical Committees
- Membership
- Students & Professors
- Meetings & Symposia

Member Online Volume 02.02 Basic has been added to your shopping cart.

For \$30 you can upgrade your Member Online Basic Volume to the online premium volume called Online Plus. This Online Plus Volume includes not only active standards, but also redefined, historical and withdrawn standards. Click [here](#) for more information on Online Plus.

Would you like to upgrade your Online Basic Volume to the Plus Volume?

- Yes, upgrade my Basic Volume to the Plus Volume.
- No, I prefer the Basic Volume.

Recommended

ASTM Training
Apply standards more effectively

Take your knowledge to work and get the most important information you need.

4. Confirmation

- Technical Committees
- Membership
- Students & Professors
- Meetings & Symposia

Volume Confirmation

Volume 02.02 Basic (Click [here](#) to change your selection) has been added to your shopping cart.

Would you like to purchase any other volumes or products and add them to your cart?

- Yes, continue shopping.
- No, take me to my shopping cart.

Recommended

ASTM Proficiency Testing
Improve your lab's performance

Now you can bring your testing capabilities to the next level. Put them to work. Guaranteed.

Title format appears as: 'Volume' 'XX.XX' 'basic/plus'. Change your selection takes the user back to the previous screen for upgrading to plus. (Currently at this point you cannot adjust the member volume, just the basic/plus option)

5. Checkout

The screenshot displays the ASTM International website's checkout process. At the top, the ASTM logo is visible on the left, and navigation links for 'All', 'Search ASTM', 'LANGUAGES', 'CONTACT', and 'CART (2)' are on the right. Below the logo, there are dropdown menus for 'PRODUCTS AND SERVICES', 'GET INVOLVED', 'ABOUT', and 'NEWS'. The main content area is split into two columns. The left column, titled 'You might also consider:', features a 'Standards Tracker' product for free. The right column, titled 'Your Shopping Cart', contains a table with the following items:

Description	Qty	Price	Total	
Participating Membership (MEM)	1	\$75.00	\$75.00	delete
Member Volume NUMBEROUS METALS PRODUCTS 0202 Aluminum and Magnesium Alloys- Online Book	1	\$0.00	\$0.00	delete

Below the cart table, there is a 'Proceed to Checkout' button and a 'Subtotal: \$75.00' label. A 'Checkout' button is also present. The page is secured by Norton, as indicated by the Norton logo in the bottom right corner. The footer contains the ASTM logo and the following text: 'Home About ASTM Site Map Support Contact Policies Copyright/Permissions © 1996 - 2008 ASTM. All Rights Reserved. ASTM International, 100 Brook Hill Drive, PO Box C7000, West Conshohocken, PA 19380-2899 USA'.

Continue will pass the user to checkout where they will see the cost of the membership as well as the free volume (along with any other items they've added to the cart).
