Standards for Educational and Psychological Testing (1999 Edition)

This 1999 edition of the *Standards for Educational and Psychological Testing* has been superseded by the 2014 edition. The American Educational Research Association, the American Psychological Association, and the National Council on Measurement in Education recommend use of the 2014 *Standards* as the authoritative source of testing standards. The 1999 edition continues to be available for scholarly purposes.
