

According to plaintiff, defendant has been “grossly negligent in her duties,” has committed “criminal misconduct . . . considerable hardship and distress to the victims she is sworn to serve and puts the lives of tens perhaps hundreds of thousands of innocent young people at risk.” Compl. ¶ 4. Plaintiff does not identify a particular action (or inaction) by defendant that is negligent or criminal in nature, and his complaint does not otherwise include a statement showing that he is entitled to the relief he demands. The complaint therefore will be dismissed. An Order consistent with this Memorandum Opinion is issued separately.
