The Dark Side

ABOUT INVESTIGATIONS LATEST PROJECTS

Al Jazeera's Investigative Unit does not report the news. It makes the news.

The unit serves the public interest by uncovering malfeasance, wrongdoing and abuses of power.

We have teams in Doha, London and Washington DC. The stories we have produced have led the global news agenda.

Our staff members have won dozens of major journalism accolades. They include the Pulitzer Prize, Emmy awards and recognition from the British Academy of Film and Television (BAFTA), the Royal Television Society (RTS) and the Monte Carlo Television Festival.
