

**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF COLUMBIA**

ROY COCKRUM, ET AL.,
Plaintiff,
v.
DONALD J. TRUMP FOR PRESIDENT, INC., ROGER STONE
Defendants.
and
DAVID A. GOLDEN (ALIAS G., JEREMY THUNDERCLOUD, JOHNY BIGFISH)
3 <sup>rd</sup> Party Intervenor.

No. 1:17-cv-1370-ESH

RESPONSE OF DAVID GOLDEN (G.) 3<sup>rd</sup> PARTY  
INTERVENOR TO JOINT OPPOSITION

Trial court has no discretion, but must allow intervention where proposed intervenor claims interest in litigation and intervention is in subordination to and in recognition of main proceeding, and no other remedy is available for protection of intervenor's rights (Equity Rule 37, 28 U.S.C.A. following section 723).

Here, David Golden (G.) was a bridge inspector who had his career destroyed by the corrupt bar association and "Democratic" puppets Jay Inslee and Bob Ferguson so that they could launder taxpayer money to their campaign donors (aka government monopoly). G.'s sole purpose was to protect taxpayers from bridge collapse (similar to the recent Florida bridge pedestrian bridge collapse). G. was worried about multiple bridges collapsing so he filed a whistleblower complaint. This resulted in him losing his career and reputation so that his attorneys and "Democrats" at the State Legislature could launder billions to the Association of

General Contractors (his attorney's concurrent client – which somehow he forgot to mention in violation of the RPC's). Then the corrupt State of WA (after terminating G.) fixed the bridges that G. complained about.

G. has already proven that the "justice" department is corrupt as there is no justice for G., as his former attorneys and WA State politicians are unanswerable for their crimes. Further, G. has proven that multiple judges do not follow the law and are instead assisting the politicians that appoint them in laundering taxpayer money in antitrust monopoly. Plaintiffs allege political interference by the Office of the Inspector General. G. can prove interference by this agency as it refused to investigate G.'s whistleblower complaint, and instead left him to fend for himself against the corrupt bar association. As mentioned, this all happened so that "Democrats" could launder billions in tax revenue to their campaign contributors in government antitrust monopoly.

This lawsuit is a copycat lawsuit (see G.'s motion to intervene dated February 20<sup>th</sup>, 2018) and the court has no discretion in this matter. Intervention must be allowed to protect G.'s rights. If intervention is not allowed, the lawsuit must be dismissed.

Dated: March <sup>20<sup>th</sup></sup>, 2018.
