

The plaintiff's complaint, which is barely legible, purports to demand monetary compensation for acts committed by a hospital and the U.S. Department of Transportation. The complaint does not identify the basis for this Court's subject matter jurisdiction and it fails to contain a statement showing that the plaintiff is entitled to the relief he seeks from the named defendants. As drafted, the complaint fails to comply with Rule 8(a) and therefore it will be dismissed without prejudice.

An Order consistent with this Memorandum Opinion is issued separately.
