Plaintiffs,

v.

THE UNITED STATES,

Defendant.

No. **10-743 C**

PLAINTIFFS' APPLICATION FOR TEMPORARY RESTRAINING ORDER

Pursuant to Rule 65 of the Rules of the U.S. Court of Federal Claims and for the reasons set forth in the accompanying Memorandum of Points and Authorities in Support of Plaintiffs' Application for Temporary Restraining Order and Motion for Preliminary and Permanent Injunctive Relief, and in the accompanying Complaint, both incorporated herein by reference, Plaintiffs Google, Inc. ("Google") and Onix Networking Corporation ("Onix") respectfully apply to this Court for an order temporarily restraining the Defendant from proceeding with Request for Quotation No. 503786, or any related procurement, solicitation, task order, or activity to implement the Microsoft messaging solution, until such time as the Court has an opportunity to decide Plaintiffs' Motion for Preliminary Injunction.

All papers in this matter were furnished to the Department of Justice on this same date. Plaintiffs respectfully request a hearing on this application at the earliest possible opportunity.

WHEREFORE, it is respectfully requested that this application be granted and a temporary restraining order be entered in the form attached hereto.

Respectfully submitted,

Timothy Sullivan
