No. 10-743C

Judge Braden

**DEFENDANT’S SECOND MOTION SEEKING LEAVE TO
AMEND AND CORRECT THE ADMINISTRATIVE RECORD**

Defendant hereby respectfully requests leave of the Court to amend and correct the administrative record, filed on November 5, 2010, in the above captioned matter. In correcting the record, we seek to include documents, outlined in the attached revised index, that were misplaced at the time we filed the administrative record. This document, however, is dated prior to the time the decisions under challenge, standardization of an email messaging system and a limited source justification, and was considered by the deciding official. Accordingly, the document should be considered part of the administrative record and should have been included in our November 5, 2010 filing.

With the Court’s permission, these documents shall be added to the administrative record at Tab 47. Counsel for plaintiffs and intervenor do not object to this motion. We apologize for any inconvenience this may have caused the Court. We shall provide a courtesy hard-copy of

Tab 47 to chambers on December 20, 2010.

Accordingly, defendant respectfully requests that the Court grant its motion to amend and correct the administrative record.

Respectfully submitted,
