**DEFENDANT'S NOTICE OF FILING**

On November 2, 2010, the Court's clerk sent the parties an electronic message requesting expeditious production of the following two documents:

1. Request for Quotation No. 503786; and
2. The limited source justification executed by the Director of the Office of Acquisition and Property Management for the Department of the Interior on August 30, 2010.

This filing is in response the Court's November 2, 2010 direction to produce these documents. These two documents, produced in isolation, do not constitute the entire administrative record. The Court has yet to set a schedule for the filing of the administrative record. In the absence of such an order, we presently intend to file the administrative record on or about November 5, 2010. The Court should not draw any inferences based upon consideration of these two documents in isolation with respect to the allegations made by the plaintiffs, Google, Inc. and Onix Networking Corp, in their complaint and motion for a

temporary restraining order and preliminary injunctive relief filed on October 29, 2010.

We also note that this filing does not constitute our response to any of the filings made by plaintiffs and, therefore, we respectfully reserve our right to file a formal response on November 12, 2010.

Respectfully submitted,
