**ORDER**

Now pending before the court is Alston Wilkes Society, Inc.’s (AWS) unopposed motion to intervene filed January 7, 2014 pursuant to Rule 24 of the Rules of the United States Court of Federal Claims. In its motion, AWS asserts that it is an actual offeror under Request for Proposals No. 200-1198-SE, issued by the United States Department of Justice, Federal Bureau of Prisons, for residential reentry center services in Columbia, South Carolina. Inasmuch as the parties stated during a telephonic status conference with the court on January 2, 2014 that they have no objection to AWS intervening in this case, the court grants AWS’s motion.

Accordingly, it is hereby **ORDERED** that

- (1) Alston Wilkes Society, Inc.’s Motion for Intervention, filed January 7, 2014, is **GRANTED**; and

- (2) Intervenor-Defendant Alston Wilkes Society, Inc. shall **FILE** its Cross-Motion for Judgment on the Administrative Record and Response to Plaintiff's Motion for Judgment on the Administrative Record, as well as any motion to dismiss, in accordance with the court's scheduling order entered January 2, 2014.
