

In the United States Court of Federal Claims

No. 14-443C

(Bid Protest)

(Filed: August 18, 2014)

ARC ASPICIO, LLC.,

Plaintiff,

v.

THE UNITED STATES,

Defendant,

TERACORE INC.,

Defendant-Intervenor.

ORDER OF DISMISSAL

On May 28, 2014, Defendant filed a motion to dismiss relating that it has withdrawn the Federal Emergency Management Agency’s override of the Competition in Contracting Act (“CICA”) stay and has issued a stop work order to the awardee. As such, Defendant contends that the protest is moot. Plaintiff informed the Court that it does not oppose Defendant’s motion.

This Court **GRANTS** Defendant’s motion to dismiss for lack of subject-matter jurisdiction and directs the Clerk of Court to **DISMISS** this protest.
