## ORDER

The court is in receipt of the defendant's July 22, 2016, consent motion to dismiss the above-captioned protests. As discussed at a status conference with the parties on July 21, 2016, the court **GRANTS** defendant's consent motion to dismiss the two above-captioned protests, Case No. 16-750C and Case No. 16-806C. Therefore, the claims in the above-captioned protests are, hereby, **DISMISSED**, without prejudice, with each party to bear its own costs and fees. The Clerk's Office shall enter **JUDGMENT** consistent with this Order.

If, after the corrective action, either protestor files suit again in this court, the Clerk's Office shall assign the protests to the undersigned and waive the filing fee for the above-named protestors. Any such protest shall reference on the front of the new protest that it is related to either of the above-captioned bid protests, Case No. 16-750C, or Case No. 16-806C, and the undersigned's name.
