employee with privileged information about the company or individual reported, and you can provide "insider information", please click on the REBUTTAL Box at the end of the specific Rip-off Report™ you wish to give information on. This sort of information is often very helpful to an investigation and always needed.

WHISTLEBLOWERS

Employees who want to expose corruption should file a Rip-off Report™. Any employees who do so should be protected by Federal Whistleblower Laws, additionally; Rip-off Report™ treats all victims as a confidential source. Remember, we are a publication; and we will never voluntarily reveal your identity. Instead we will protect our sources under the First Amendment of the US Constitution

DOING BUSINESS WITH THE COMPANY OR INDIVIDUAL REPORTED...

Consumers, just because a Company or Individual is reported on Rip-off Report™ does not necessarily mean you should not do business with them. By reading the experiences of other consumers, you will now be able to make more educated decisions, because now you know what to watch out for.

USE YOUR REPORT TO GET WHAT IS COMING TO YOU

Faxing your Rip-off Report™ to the Company or Individual you have just reported can serve as a very valuable negotiating tool.

Include in your negotiation that you have the ability to **UPDATE your Report and reflect their good business practices** by explaining that their eagerness to satisfy the complaint and make things right will be seen by the entire world. Also, explain that failure to respond/rectify the situation will also be seen.

YOU MUST NOT call them threatening to file a report if they do not comply with your demands... this may be construed as Blackmail! You must first file a Rip-off Report™, then fax them a copy, offering them a chance to rectify the wrong that they did to you. Explain that then, and only then, you will UPDATE your Rip-off Report™ in a positive way; if deserved.

ORGANIZING CLASS ACTION LAWSUITS
VICTIMS & LAWYERS, WHO WANT TO SUE COMPANIES OR INDIVIDUALS REPORTED

Victims & attorneys who are interested in pursuing litigation against a particular company reported on this website may contact us directly. It is inappropriate to solicit business using this website other than through prior arrangement. This is largely because we need to ensure, the best we can, that our readers are not again being taken advantage of..

If you see a company with a good number of Rip-off Reports™, we have the database of contact information. We will e-mail those victims to contact you. Often we have additional information which does not appear on the victims

Rip-off Report™. We receive thousands of e-mails weekly on Rip-off businesses. We also have contact data on many of those victims as well.

We are anxious and willing to join forces with victims and attorneys to stand up for the rights of consumers and help them get justice. E-mail us. Both victims and attorneys should send their e-mails to:

ClassAction@ripoffreport.com

**MORE IMPORTANT TO FILE
ON RIP-OFF REPORT™ THAN
WITH BBB & WE'RE JUST AS
IMPORTANT AS ATTORNEYS
GENERAL OR
INVESTIGATIVE AGENCIES**

Many government sites (and the BBB) are only in place to collect all the information from you, the consumer; in most cases, never making it available for others to see. Listing your complaint on many Government sites is usually no better than filing with the Better Business Bureau (BBB). In fact, utilizing such sites is often just a waste of time; giving you false hope. Perhaps most frustrating is that the federal agencies tasked to investigate these disreputable enterprises receive tax dollars to do so, yet come to **badbusinessbureau.com** for the results of our investigations and data, which we collect at no cost to the consumer while benefiting them.

By failing to make this information available publicly, it makes it harder for consumers to get educated about exactly what scams they should watch out for. In addition, when these agencies fail to make these

individual complaints public, consumers are robbed of the opportunity to know how bad a Company or Individual really is, and why.

On the other hand, many government agencies have and do come to the Rip-off Report™ for information. We have assisted, and continue to assist many government agencies for some time now, including local and state police departments, the FBI, FTC and Attorney General offices from around the country

Since all the Reports are out in the open for everyone to see, in a way, this embarrasses these agencies into doing something about these scams when they see so many Reports on a Company or Individual.

Unfortunately, many (not all) Attorneys General Offices and government agencies will not move against a rip-off unless there will be some sort of publicity, associated with some political hay to be made. Additionally, they normally won't take action if the Rip-off does not exceed \$50,000. However, your Reports have helped to change this. Reporting your experiences on Rip-off Report™ is the next best thing to getting your story on TV or in a newspaper. In fact, many national TV networks and several local TV stations from all around the country come to the Rip-off Report™ for information. They do this because they know that the BBB, Attorneys General, and other agencies are not reliable or cooperative sources when compared to Rip-off

Report™. News stations know that they will get information from us that are unobtainable elsewhere.

Rip-off Report™ has instigated many local and national stories that have resulted in help for victims worldwide, in one way or another. Now that the government has cut back spending even more in this area, this dollar amount required to get the attention of investigative agencies will likely get even higher. This means that we can expect even less action, since fewer people and resources will be available to work on all these Rip-offs.

Additionally, by filing a Rip-off Report™, you might be contacted by one of us to notify you to make contact with a law firm that has shown interest in your case. We get requests every week for class action lawsuits; bringing victims together with lawyers willing to sue the company after reading your filed Rip-off Report™.

Don't let them get away with it!™
