This sort of information is often very helpful to an investigation and always needed.

WHISTLEBLOWERS

Employees who want to expose corruption should file a Rip-off Report™. Any employees who do so should be protected by Federal Whistleblower Laws, additionally; Rip-off Report™ treats all victims as a confidential source. Remember, we are a publication; and we will never voluntarily reveal your identity. Instead we will protect our sources under the First Amendment of the US Constitution

DOING BUSINESS WITH THE COMPANY OR INDIVIDUAL REPORTED...

Consumers, just because a Company or Individual is reported on Rip-off Report™ does not necessarily mean you should not do business with them. By reading the experiences of other consumers, you will now be able to make more educated decisions, because now you know what to watch out for.

USE YOUR REPORT TO GET WHAT IS COMING TO YOU

Faxing your Rip-off Report™ to the Company or Individual you have just reported can serve as a very valuable negotiating tool.

Include in your negotiation that you have the ability to **UPDATE your Report and reflect their good business practices** by explaining that their eagerness to satisfy the complaint and make things right will be seen by the entire world. Also, explain that failure to respond/rectify the situation will also be seen.

YOU MUST NOT call them threatening to file a report if they do not comply with your demands... this may be construed as Blackmail! You must first file a Rip-off Report™, then fax them a copy, offering them a chance to rectify the wrong that they did to you. Explain that then, and only then, you will **UPDATE** your Rip-off Report™ in a positive way; if deserved.

ORGANIZING CLASS ACTION LAWSUITS

VICTIMS & LAWYERS, WHO WANT TO SUE COMPANIES OR INDIVIDUALS REPORTED

Victims & attorneys who are interested in pursuing litigation against a particular company reported on this website may contact us directly. It is inappropriate to solicit business using this website other than through prior arrangement. This is largely because we need to ensure, the best we can, that our readers are not again being taken advantage of..

If you see a company with a good number of Rip-off Reports™, we have the database of contact information. We will e-mail those victims to contact you. Often we have additional information which does not appear on the victims

Rip-off Report™. We receive thousands of e-mails weekly on Rip-off businesses. We also have contact data on many of those victims as well.

We are anxious and willing to join forces with victims and attorneys to stand up for the rights of consumers and help them get justice. E-mail us. Both victims and attorneys should send their e-mails to:

ClassAction@ripoffreport.com

**MORE IMPORTANT TO FILE
ON RIP-OFF REPORT™ THAN
WITH BBB & WE'RE JUST AS
IMPORTANT AS ATTORNEYS
GENERAL OR
INVESTIGATIVE AGENCIES**

Many government sites (and the BBB) are only in place to collect all the information from you, the consumer; in most cases, never making it available for others to see. Listing your complaint on many Government sites is usually no better than filing with the Better Business Bureau (BBB). In fact, utilizing such sites is often just a waste of time; giving you false hope. Perhaps most frustrating is that the federal agencies tasked to investigate these disreputable enterprises receive tax dollars to do so, yet come to badbusinessbureau.com for the results of our investigations and data, which we collect at no cost to the consumer while benefiting them.

By failing to make this information available publicly, it makes it harder for consumers to get educated about exactly what scams they should watch out for. In addition, when these agencies fail to make these

individual complaints public, consumers are robbed of the opportunity to know how bad a Company or Individual really is, and why.

On the other hand, many government agencies have and do come to the Rip-off Report™ for information. We have assisted, and continue to assist many government agencies for some time now, including local and state police departments, the FBI, FTC and Attorney General offices from around the country

Since all the Reports are out in the open for everyone to see, in a way, this embarrasses these agencies into doing something about these scams when they see so many Reports on a Company or Individual.

Unfortunately, many (not all) Attorneys General Offices and government agencies will not move against a rip-off unless there will be some sort of publicity, associated with some political hay to be made. Additionally, they normally won't take action if the Rip-off does not exceed \$50,000. However, your Reports have helped to change this. Reporting your experiences on Rip-off Report™ is the next best thing to getting your story on TV or in a newspaper. In fact, many national TV networks and several local TV stations from all around the country come to the Rip-off Report™ for information. They do this because they know that the BBB, Attorneys General, and other agencies are not reliable or cooperative sources when compared to Rip-off

Report™. News stations know that they will get information from us that are unobtainable elsewhere.

Rip-off Report™ has instigated many local and national stories that have resulted in help for victims worldwide, in one way or another. Now that the government has cut back spending even more in this area, this dollar amount required to get the attention of investigative agencies will likely get even higher. This means that we can expect even less action, since fewer people and resources will be available to work on all these Rip-offs.

Additionally, by filing a Rip-off Report™, you might be contacted by one of us to notify you to make contact with a law firm that has shown interest in your case. We get requests every week for class action lawsuits; bringing victims together with lawyers willing to sue the company after reading your filed Rip-off Report™.

"I was extremely discouraged after being taken by a fraudulent financial entity. What's worse is that I was so embarrassed that I would not have taken action even if I knew how to. Luckily, I read the preview edition of Rip-Revenge guide. Not only did the book help me to realize I had nothing to be ashamed of, it allowed me to obtain retribution. Without the Revenge Guide, I would have been lost. Thank you Rip-off Report for taking the time to construct such a wonderful book!"

After I login the Check Your E-mail page is displayed. How do I file a report?

Rip-off Report has updated its filing process to verify e-mail addresses for new and returning users. Login to <https://www.ripoffreport.com/login.asp> to update your account using login button located at the top of every page.

Once you login an e-mail message will be sent to you with a confirmation code. It may take 5-10 minutes for you to receive this e-mail. If you don't receive it check your Junk E-mail or Spam Quarantine folder.

Follow the link in the e-mail message or go to <http://www.ripoffreport.com/confirm.asp> and enter your e-mail address and confirmation code to activate your account and update your e-mail preferences. If you want to receive notifications when a rebuttal is filed make sure to check the boxes next to the "Notify me" options.

Why can't I login with my e-mail address and password?

If you are trying to login and receive the message "Incorrect Password" please use the Forgot your Password link http://www.ripoffreport.com/password_remind.asp to have your Account Information, including your password, sent your e-mail address.

Passwords in our system are case sensitive. Please make sure you type in your password the same way it appears in the Account Information Reminder e-mail message. If you entered your password in ALL UPPER CASE then you need to reenter it in upper case. The same is true for lower case.

Why won't the site accept my e-mail address when I am trying to register?

In order to register with Rip-off Report and file a report or rebuttal you must fill out all fields in **bold** and set a password that is greater than six characters. Register with Rip-off Report at <https://www.ripoffreport.com/user.asp>.

If the Register page is displayed again after you hit submit then a required field is not complete. The problem is most likely not with your e-mail address and the statement in italics on the form about a valid e-mail address being required is not an error message. Check for error messages in RED next to each field and follow the instructions. You may have to scroll down the page to review each field.

I can't access the link in the Complete Rip-off Report e-mail message to get to confirmation page. How do I complete my registration?

If you are unable to follow the confirmation link in the e-mail message copy and paste the following link into your browser: <https://www.ripoffreport.com/confirm.asp>.

Enter the e-mail address and confirmation code sent to you to activate your account.

How can I change my e-mail address?

Once you update your e-mail address an e-mail message will be sent to you with a confirmation code. It may take 5-10 minutes for you to receive this e-mail. If you don't receive it check your Junk E-mail or Spam Quarantine folder.

Follow the link in the e-mail message or go to <https://www.ripoffreport.com/confirm.asp> and enter your e-mail address and confirmation code to activate your account and update your e-mail preferences.

Are Rip-off Reports ever censored?

No way! Rip-off Report™ does not provide or create any content in the reports or the titles. Rip-off Report may delete repetitive information in the title that may be caused mistakenly by mechanical entry, and Rip-off Report and will delete any profanity. So go ahead, speak your mind! We will not edit, censor, or manipulate your Rip-off Report in any way. We provide this service for you. If your complaint is resolved or situations get even worse, you can always UPDATE your Rip-off Report with your new updated information. Reports can only be updated and not removed.

What makes a good Rip-off Report?

The report should be relating an honest, factual, and impartial story. Make your statement as objective as possible.

Report both sides to the story. Saying, "Joe Schmoe's company --ks" is neither informative, nor respectable. Reporting a false statement can get you sued.

Use any details such as names, times, places, tape recorded evidence (where legal), pictures, and witnesses statements, that will reveal the facts and support your Report. These items could be submitted to us to be made a part of your actual report...

How can my story be featured on the Home page?

Some stories will be picked for the front page. To be eligible, your story needs to be especially convincing. A clear photo, drawing or cartoon that's related to the RipOff subject is required by e-mail or snail-mail. After submitting your Rip-off Report, e-mail us what you have at frontpage@Rip-off-Report.

How Does the Rip-off Report compare to the Better Business Bureau?

The "Better Business Bureau" is another avenue to make your voice heard and to seek possible satisfaction of your grievance. With the Better Business Bureau, a business that is the focus of a complaint merely has to respond to the complaint in order to "satisfy" it most of the time. You won't be told of past satisfied or unsatisfied complaints about a company. So if you check on a company that has "satisfied" all their complaints, they will tell you that, "they have a satisfactory rating". You will never know their track record!

The **bad**Business Bureau's Rip-off Report is a more consumer oriented forum for keeping track of "bad business". Unlike the Better Business Bureau, all of your unedited, uncensored, complaints can be made public to millions world wide. You can see the track record of a company's past. The "bad Business Bureau's" Rip-off Report is an important resource to keep you informed of those you deal with. Soon this sight will be **THE source of information** that "bad business" will want to avoid world wide.

How do I send photos to go with my Rip-off Report?
