# WHITNEY EDUCATION GROUP,

## Welcome To The World Of Real Estate Invest

You are taking your first steps on the time-tested and proven path to wealth and prosperity. No matter where you live, a career in real estate ownership and management can provide you and your family with life-long comfort and security.

Our international expansion into Canada and the United Kingdom is succeeding beyond our expectations. The entrepreneur enthusiasm of our Canadian and UK students reinforces our belief that people share the common desire to become wealthy.

### International Real Estate Training Systems

Our successful Real Estate Investment Training in the United States has been designed to develop specialized training for international markets.

To learn more about our real estate investment system in your country, when our next **FREE training session** will be held in your area, select the appropriate country below.

**Canadian Real Estate  
Investment Training**

**United Kingdom Property  
Investment Training**
