ORDER

This matter comes before the Court on Defendant's Motion to File Under Seal Unredacted First Amended Answer and Counterclaims for Limited Purpose of *In Camera* Inspection and Judicial Determination of Whether Sealing is Appropriate (Doc #76). Defendant filed this motion with the Court on August 23, 2012. Six days later, on August 29, 2012, Plaintiff filed an Amended Complaint against Defendant (Doc. #81), thus making the Defendant's First Amended Answer and Counterclaims (Doc. #66) moot.

While the Court will deny the present motion as moot, the Defendant may file a new motion regarding the forthcoming Answer to the Plaintiff's Amended Complaint with the Court for an *in camera* review if the Defendant so wishes. At that time, the Court will make a determination as to whether the Answer should be filed under seal, balancing the interests of trade secret protection and the public's right of access to documents.

Accordingly, it is now
