Case No: 2:18-cv-555-FtM-99NPM

GLOBAL RADAR ACQUISITION,
LLC,

Defendant.

**ORDER PRELIMINARILY APPROVING SETTLEMENT
AND CERTIFYING SETTLEMENT CLASS**

This matter comes before the Court on plaintiffs' Unopposed Motion for Preliminary Approval of Class Action Settlement (Doc. #43) filed on June 28, 2019. After review of the parties' Settlement Agreement, Proposed Notice of Class Action Settlement, and having been fully advised in the premises, it is hereby

ORDERED:

1. Plaintiffs' Consent Motion for Preliminary Approval of Settlement and Notices to the Settlement Class (Doc. #43) is **GRANTED.**

2. **Settlement.** Plaintiffs Shawana Sanders and Kenyatta Williams ("Plaintiffs"), on behalf of themselves and all

Settlement Class Members, and Defendant Global Radar Acquisition, LLC ("Global") (collectively, the "Settling Parties"), have negotiated a potential settlement of this action (the "Action") to avoid the expense, uncertainties, and burden of protracted litigation, and to resolve any and all claims being released by the Settlement Agreement, including all claims which have been or could be asserted by Plaintiffs and/or other members of the Settlement Classes in the Action against Global and all of its respective past and present divisions, parents, subsidiaries, predecessors, investors, parent companies, acquired companies, insurers, agents, and affiliated companies.

3. **Review.** The Court has carefully reviewed the Settlement Agreement, as well as the files, records, and proceedings to date in this matter. The terms and conditions in the Settlement Agreement are hereby incorporated as though fully set forth in this Order, and, unless otherwise indicated, capitalized terms in this Order shall have the meanings attributed to them in the Settlement Agreement.

4. **Preliminary Approval.** The Settlement Agreement entered into by and among the Settling Parties has been negotiated at arm's-length and is approved on a preliminary basis as fair, reasonable, and adequate.

5. **Settlement Class Definition and Relief.** The proposed Settlement Class Relief to the Settlement Class Members, as

identified in Section 2.2 of the Settlement Agreement, is approved on a preliminary basis as fair, reasonable, and adequate. The Settlement Class shall consist of:

All natural persons residing in the United States, any U.S. territory, the District of Columbia, or Puerto Rico who were the subject of a consumer report furnished by Global HR for employment purposes to a client of A1 HR, Continuum, or Accesspoint between July 11, 2013 and January 11, 2019.

The parties expressly agree to this Settlement Class definition for settlement purposes. The Settlement Class consists of approximately 20,878 individuals.

6. The Court finds that certification of the Settlement Class is appropriate for settlement only, under Fed. R. Civ. P. 23(a) and (b)(3) because: (a) The Settlement Class is so numerous that joinder of all members is impracticable; (c) There are questions of law or fact common to the members of the Settlement Class; (d) The claims of Plaintiffs are typical of the claims of the other members of the Settlement Class; (e) Plaintiffs and are capable of fairly and adequately protecting the interests of the members of the Settlement Class in connection with the Settlement Agreement; (f) Common questions of law and fact predominate over questions affecting only individual members of the Settlement Class; (g) The Settlement Class is ascertainable; (h) Resolution of the claims in this Litigation by way of Settlement is superior to other available methods for the fair and efficient resolution of the claims of the Settlement Class Members.

7. **Designation of Class Representatives.** Plaintiffs Shawana Sanders and Kenyatta Williams are designated as representatives of the Settlement Class for the sole purpose of seeking a settlement of the Litigation.

8. **Designation of Class Counsel.** Attorneys Marc Edelman of the law firm Morgan & Morgan and Craig C. Marchiando of Consumer Litigation Associates, P.C. are hereby designated as Class Counsel for the Settlement Class.

9. **Final Approval Hearing.** A hearing regarding final approval of the Settlement ("Final Approval Hearing") will be held on November 1, 2019 at 10:00 a.m. at the United States District Court for the Middle District of Florida, Fort Myers Division, 2110 First Street, Fort Myers, Florida, 33901. The hearing will be set by separate notice at a later date. The Final Approval hearing will determine, among other things: (i) whether the Settlement of the Litigation should be approved as fair, reasonable, and adequate; (ii) whether the Litigation should be dismissed with prejudice pursuant to the terms of the Settlement Agreement; (iii) whether Settlement Class Members should be bound by the Release set forth in the Settlement Agreement; (iv) whether Settlement Class Members should be subject to a permanent injunction which, among other things, bars Settlement Class Members who have not opted out, from filing, commencing, prosecuting, intervening in, participating in (as class members or

otherwise), organizing, or soliciting the participation of other Settlement Class Members to pursue any action in any jurisdiction based on or relating to any of the Released Claims (as defined in the Settlement Agreement) or the facts and circumstances relating thereto; and (v) whether the application of Class Counsel for an award of Attorneys' Fees and Expenses, and for a Service Award to Plaintiffs, should be approved. Such hearing may be reset to a later date than that in the Class Notices without requiring additional, subsequent notice to Class Members.

10. **Class Notice.**

(a) The Court approves the Class Notice in the Settlement Agreement, including the Long-Form Notice to be electronically mailed to all Settlement Class Members attached as Exhibit B to the Settlement Agreement and the manner of providing mail notice to Settlement Class Members described in Section 4 of the Settlement Agreement. The Court finds that this is the best practicable notice under the circumstances and is reasonably calculated, under all the circumstances, to apprise the Settlement Class Members of the pendency of this Action, the terms of the Settlement Agreement, and their right to object to the Settlement Agreement or exclude themselves from the Settlement Class. The Court further finds that mail notice and the other forms of Class Notice in the Settlement Agreement are reasonable, constitute due,

adequate, and sufficient notice to all persons entitled to receive notice, and meet the requirements of due process.

(b) The Notice shall be mailed within sixty (60) days of the date of this Order.

(c) No later than the sending of the Short-Form Notice, the Settlement Administrator shall establish an Internet site (the "Settlement Website"), which shall contain copies of the Complaint, the Settlement Agreement and Exhibits, the Short-Form Notice, the Long-Form Notice, and other documents about the Lawsuit. The Settlement Website shall have a Uniform Resource Locator which identifies the Settlement Website as www.[url to be determined].com. The Settlement Website shall remain open and accessible through the expiration period of all issued Settlement checks. The Settlement Website also shall prominently display contact information for Class Counsel and shall direct all questions about the Class Settlement to Class Counsel.

(d) No later than 7 days prior to the Final Approval Hearing, Class Counsel shall obtain from the Settlement Administrator and shall file with the Court a proof of mailing of the Mail Notice and of establishing the Settlement Website.

13. **Administrator.** The Court authorizes and directs the Parties to retain a Settlement Administrator to implement the terms of the Settlement Agreement, and authorizes and directs such Administrators to: (i) mail and provide Class Notice; (ii)

(a) To be valid, the Request for Exclusion must: (i) identify the case name; (ii) identify the name, address, and telephone number of the Settlement Class Member; (iii) be personally signed by the Settlement Class Member requesting exclusion; and (iv) contain a statement that indicates a desire to be excluded from the Settlement Class in the Litigation, such as "I hereby request that I be excluded from the proposed Settlement Class in Sanders v. Global Radar Acquisition, LLC, No. 2:18-cv-00555-UA-UAM."

(b) A Settlement Class Member who desires to opt out must take timely affirmative written action pursuant to this Order and the Settlement Agreement, even if the Settlement Class Member desiring to opt out of the Class (i) files or has filed a separate

action against any of the Released Persons (as defined in the Settlement Agreement), or (ii) is, or becomes, a putative class member in any other class action filed against any of the Released Persons.

(c) Except for those Settlement Class Members who timely and properly file a request for exclusion, all other Settlement Class Members will be deemed to be Settlement Class Members for all purposes under the Agreement, and upon the Settlement Effective Date (as defined in the Settlement Agreement), will be bound by its terms, including, but not limited to, the Releases in Section 3 of the Settlement Agreement.

(d) If the proposed Settlement is finally approved, any Settlement Class Member who has not submitted a timely, written request for exclusion or to opt-out from the Settlement Class shall be bound by all subsequent proceedings, orders, and judgments in this Action, even if he or she has pending, or subsequently initiates, litigation against Global or any of the Released Parties relating to any of the Released Claims.

15. Objections and Appearances. Any Settlement Class Member who has not filed timely written request for exclusion and who complies with the requirements of this Paragraph may object to any aspect of the proposed settlement either on his or her own or through an attorney hired at his or her expense.
