**ORDER**

As of yesterday, March 11, 2009, one of my sons-in-law joined Norwood S. Wilner in the

practice of law. This matter has been discussed with the other active district judges in the Jacksonville Division of this Court. All of the so called tobacco cases were divided randomly and evenly between two active and one senior district judge. The other active district judge at the time, Judge Covington, could not handle any of the cases because of stock ownership. Since the onset of these cases Judge Covington was reassigned to the Tampa Division and Judge Howard has been reassigned to the Jacksonville Division and currently has no tobacco cases assigned to her as she took over Judge Covington's docket. Since Judge Howard does not have any tobacco cases, and with her consent, the Chief Judge is requested to reassign all of those cases from which I am recused to Judge Howard in order to keep the cases evenly distributed amongst the three active district judges in Jacksonville, this would not happen if they were randomly reassigned by the Clerk.

**DONE AND ORDERED** at Jacksonville, Florida, this 12~~th~~ day of March, 2009.
