**PLAINTIFFS' OMNIBUS MOTIONS IN LIMINE**

WM Aviation, LLC and Tricor International Corporation (collectively "WM Aviation"), pursuant to the Case Management and Scheduling Order, hereby files the following seven motions in limine.

**I. BACKGROUND**

This matter arises from an accident occurring on April 3, 2008 wherein a 2004 Citation X (the "Aircraft") owned by Plaintiffs ran off the runway during a landing that resulted in extensive damage to the Aircraft.

On February 2, 2008, Plaintiffs brought the Aircraft to Defendant Cessna's Orlando Citation Service Center, advising that the Aircraft had a hydraulic leak at the left engine pylon. Cessna's mechanics inspected the Aircraft and found that a hydraulic reservoir was seeping at
