¹ Amar filed three (3) documents in response to the Report and Recommendation. (Doc. 14; Doc. 15; Doc. 16.) All three (3) documents are indecipherable and appear to consist of partial photocopies of medical documents, Amar's driver's license, Amar's social security card, and websites relating to disqualification of judges and ineffective assistance of counsel claims. (*Id.*) Even applying the liberal pro se review standard, the Court is unable to extrapolate a coherent objection or argument in any of Amar's filings.
