Re: *Quest Management Group, Inc.*  
-- *Hatchett Ranch Oil and Gas Lease*

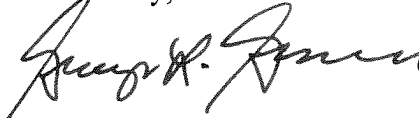

Dear Mr. Carney:

Thank you for your letter of October 14, 2016. While I appreciate the various issues you have raised, I would urge you to review the Order Appointing Receiver. (I am enclosing a copy for your convenience.) Please understand that any effort to interfere with the Receiver's authority or assets within his control will directly violate the Federal Court's order.

With that said though, please understand the Receiver is actively engaged in an effort to divest Quest and Quest-related holdings. The process has admittedly been made more difficult as a result of the decline in oil prices but I still think you will be encouraged by the current state of the negotiations. I would like to suggest a call to discuss the matter further and answer any questions you may have.

If you are amenable to that, I will coordinate with the Receiver to set it up. Thank you in advance for your cooperation.

Sincerely,

George L. Guerra
