**ORDER REGARDING PETITION NO 40:
ORDER APPROVING SALE OF REAL PROPERTY**

On this date, the Court conducted a hearing regarding the approval of the sales of a parcel of real property identified by the Receiver as the “Silette Condo.” The Receiver appeared through his counsel. No other persons or parties appeared.

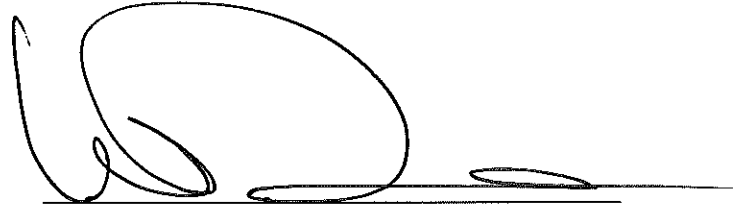

The Court considered pleadings on file regarding this matter, the Receiver’s *Petition 40, Petition For Appointment Of Appraisers, Approval Of Appraisals Of Certain Real Property And Setting Hearing Regarding Approval Of Sale*, and noted the agreement of the United States Commodities Futures Commission and Defendant to the petition. The Court also considered the arguments presented at the hearing regarding the Petition, and noted the absence of any objection to Petition. After noting that no additional bona fide offers for the Silette Condo have been received, Court finds that the best interests of the receivership estate are served by confirming the sale as described in Petitions 40.

ACCORDINGLY, the Court finds that the Receiver has complied with the provisions of 28 U.S.C. § 2001(b).

NOW, THEREFORE, IT IS HEREBY ORDERED that pursuant to 28 U.S.C. § 2001(b) the Court approves the Receiver's sale of the "Silette Condo", pursuant to the terms set forth in the contract received by the Court on this date.

SO ORDERED.
