Dear Ms Gura,
as per our telephone conversation I did receive a
hard copy of the motion and order

case 8:09-cv-00087-VMC-CPT Document 1383 filed
03/07/19

In section H (Priority of Claims) I believe #17
is listed (Exhibit E - Investor Claims) in Class 3)

This is an error. I have a senior secured
investment and should be moved to Class 2 in
Exhibit C.

This information is accurate as per the report
sent me by the U.S. District Court, Middle District of
Florida, Office of the Clerk, United States Court House, Tampa
Florida 33602. Document No 1385 signed by
Judge Virginia M Hernandez Covington on 3/15/2019
followed by document 1388 signed on 3/27/2019.

I believe my claims position is in error and I object
to the determination of my claim ^{location} and have provided all
necessary information to support my reasoning for the
movement.

Thank you so much for hearing me.

Sincerely Yours
Ruth P. Artusick
