ORDER

UPON DUE CONSIDERATION, it is **ORDERED AND ADJUDGED** that the Receiver's Motion to Approve (1) Settlement of Objection, (2) Waiver of Objections, and (3) Amended Claim Determinations (Doc. 142) is **granted**. The Court specifically approves the settlement of the claimant's objection regarding Claim 72. The determination for Claim 72 is hereby changed from denied to allowed as a Class 3 Investor Claim with an allowed amount of \$20,457.10.

The Court also specifically approves the Receiver's determinations set forth in the written Notifications sent to the claimants for Claims 73, 75, and 79, which recommend that the objections be overruled. Accordingly, the objections to the claim determinations for Claims 73, 75, and 79 are overruled, and the objections are deemed waived.

Further, the Court specifically approves the amended determinations for Claims 29, 34, and 44. Based upon the discovery of additional funds received by the claimants, the allowed amount for Claim 29 is reduced to \$152,492, and the allowed amount for Claim 34 is reduced to \$263,152. Also, for the reasons stated in the motion, the determination for Claim 44 is changed to denied.

DONE and ORDERED in Chambers at Tampa, Florida, on 10/21/2019.
