Re: *Securities and Exchange Commission v. Arthur Nadel, et al.*
United States District Court, Middle District of Florida
Case No. 8:09-cv-87-T-17MAP

Dear Cliff:

It has come to our attention from the Internal Revenue Service that Peg Nadel submitted, on behalf of Receivership Entity Scoop Capital, LLC, a Form 1065, U.S. Return of Partnership Income for the 2005 year. Right now we have only limited information from the IRS, but according to that information the Form 1065 was submitted after the commencement of this Receivership. That action would be in direct violation of injunctive provisions in the Order Appointing Receiver. To the extent Mrs. Nadel has or is taking any action on behalf of any Receivership Entity, she must cease immediately.

Very truly yours,

Gianluca Morello
