Re: In re: Seroquel Products Liability Litigation (MDL Docket No. 1769) –
Notice of Overdue Discovery

Dear Camp:

I am writing concerning the Plaintiff Fact Sheets your firm served for May 2007. After comparing your firm's May 2007 Plaintiff Fact Sheet designations with the Plaintiff Fact Sheets received, our records indicate that fact sheets were not served in 122 cases. Additionally, there continue to be an alarming number of Plaintiffs who failed to verify their Plaintiff Fact Sheets and/or failed to provide medical records authorizations. At the last MDL status conference, the Court made clear that the failure to serve completed Plaintiff Fact Sheets – along with completed verifications and completed medical records authorizations – is unacceptable and in violation of the Court's Order.

I have attached four charts to this letter listing cases with overdue discovery. Those four charts list: (1) the cases in which Plaintiffs failed to serve any Plaintiff Fact Sheet (or medical records authorization); (2) the cases in which Plaintiffs failed to verify their Plaintiff Fact Sheets; (3) the cases in which the Plaintiffs failed to serve medical records authorizations; and (4) the cases in which Plaintiffs failed to verify their Plaintiff Fact Sheets and failed to provide a medical records authorizations. If completed Plaintiff Fact Sheets, including completed verifications and executed medical records authorizations, are not served within twenty (20) days in those cases to Marjorie Shiekman, Esquire, Dechert LLP, Cira Centre, 2929 Arch Street, Philadelphia PA 19104 or to seroquelpfs@dechert.com, AstraZeneca will move for dismissal pursuant to Case Management Order No. 2 and these cases may be dismissed.

Finally, in an effort to move the discovery process forward, we will send deficiency letters in these cases (to the extent a Plaintiff Fact Sheet was served) despite the failures of the Plaintiffs identified above. We nonetheless consider discovery in those cases as overdue.

If you would like to discuss these issues further, please call me. I look forward to your response.

Sincerely,
