**CERTIFICATION OF COMPLETE CUSTODIAL PRODUCTION**

Defendants AstraZeneca Pharmaceuticals LP and AstraZeneca LP ("AstraZeneca"), by and through their attorneys, hereby certify that reasonable steps and processes have been taken to collect, process and produce, subject to technical limitations, all relevant, non-privileged documents found in the Custodial Files of the eight custodians listed below.

Each custodian is an individual employee or former employee of AstraZeneca. The Custodial File for each custodian consists of documents maintained by that custodian through July 6, 2006, and includes paper documents maintained in the custodian's hard copy files, electronic documents maintained on the custodian's work (desktop and/or laptop) computer and personal drive on AstraZeneca's network, and emails, including those existing in ".pst" format, maintained in the custodian's AstraZeneca email account ("Custodial Documents"). The Seroquel® Keyword Search For Filtering Of Electronic Documents (Exhibit A hereto) was applied to each custodian's electronic Custodial Documents to determine the potential relevance of all such Custodial Documents.

As used herein, the term "documents" has the broadest possible meaning and interpretation ascribed to it, including, but not limited to: writings, drawings, graphs, charts, photographs, phone records, and other data compilations from which information can be obtained and converted, if necessary, by the respondent into reasonably usable form.
