...and specifically, in advance of a meet-and-confer, can you provide me your list of key databases and the types or fields of information within each database you would like to receive. Thanks

Gentlemen:

I am aware that Jonathan is out of the office this week, but I wanted to suggest - or at least offer up the possibility of - a meet-and-confer during one of the following weeks to follow-up on the resolution of technical issues, database collection/production, etc. I'd be happy to come back to New York if that would be more convenient to all.

Please let me know,
Jim
