**CERTIFICATION OF COMPLETE CUSTODIAL PRODUCTION**

Defendants AstraZeneca Pharmaceuticals LP and AstraZeneca LP ("AstraZeneca"), by and through their attorneys, hereby certify that reasonable steps and processes have been taken to collect, process and produce, all non-privileged documents related to Seroquel® found in the Custodial Files of the # custodians listed below, subject to pending meet and confer requests.

Each custodian is an individual employee or former employee of AstraZeneca. The Custodial File for each custodian consists of documents maintained by that custodian through July 6, 2006, and includes paper documents maintained in the custodian's hard copy files, electronic documents maintained on the custodian's work (desktop and/or laptop) computer and personal drive or shared drives on AstraZeneca's network; emails including those existing in ".pst" format maintained in or deleted from the custodian's AstraZeneca email account, and documents contained on personal computing devices such as, for example, PDA, BLACKBERRY, or similar device ("Custodial Documents"). The Seroquel® Keyword Search For Filtering Of Electronic Documents (Exhibit A hereto) was applied to

each custodian's electronic Custodial Documents to determine whether such documents may be related to Seroquel® .

As used herein, the term "documents" has the broadest possible meaning and interpretation ascribed to it, including, but not limited to: writings, drawings, graphs, charts, photographs, phone records, and other data compilations from which information can be obtained and converted, if necessary, by the respondent into reasonably usable form.
