Re: In Re Seroquel Products Liability Litigation: MDL-1769

Dear Mr. Jaffe:

Enclosed please find a portable hard drive containing documents for AstraZeneca's fourteenth custodian production in the above referenced matter. This production contains all foreign language documents for the first 80 identified custodians. AstraZeneca made four meet-and-confer requests (on May 7, 8, 14, and 22, 2007) to discuss translation of these documents into English. Plaintiffs have not yet responded to those requests. AstraZeneca therefore provides these documents without translation. AstraZeneca remains willing to discuss a joint effort to translate these documents.
