ORDER

Pending before the court is the Special Master's Report and Recommendation dated December 8, 2011 (doc. 572), recommending an amendment to the court's Order on Discovery and Pretrial Plan (doc. 376). The court finds that it is in the interest of justice to forgo the 21-day objection period on the Special Master's advice that the parties have agreed no objections will be filed to this Report and Recommendation and that time is of the essence.
