

FMC Lexington Contact Information

Prison facilities have a number of different addresses -- the one you use will depend on whether you are sending something to an inmate or to a staff member, and on the type of mail carrier you select. The United States Postal Service (USPS) is normally the exclusive means for inmates to receive mail and packages.

Inmate Mail/Parcels

Do not send funds to this address; for more information go to the [Inmate Money](#) page. Use this address when sending correspondence and parcels to inmates confined at this facility.
