Enclosure(s)

DIS-4 Multi-purpose dismissal letter

IN THE UNITED STATES COURT OF APPEALS

FOR THE ELEVENTH CIRCUIT

No. 11-10476-H

In re: ROBERT P. SMITH, JR.,

Petitioner.

On Petition for Writ of Mandamus to the United States
District Court for the Northern District of Florida

BEFORE: TJOFLAT, CARNES, and WILSON, Circuit Judges.

BY THE COURT:

Before the Court is "Appellant's Emergency Motion for an Order Implementing. . .," which is construed as a petition for writ of mandamus.

On February 2, 2011, the district court directed the district court clerk to return, unfiled, Petitioner's notice of appeal and appellate filing fee. Petitioner seeks to have this Court direct Respondents to enter his notice of appeal on the docket and transmit the notice to this Court.

On February 28, 2011, after this Court directed Respondents to respond to the petition, the district court entered the notice of appeal on its docket and transmitted the notice to this Court. Because Petitioner has obtained the relief he seeks in his petition, the petition is hereby DENIED as MOOT.
