**Disappointed...** muneca128, CA ★★★★★ 7/1/2012

I was so excited to receive this knife set. I loved the modern, black knife holder and the knives were very stylish. However, three months into using them, I started seeing rust spots on the "stainless steel", and then while cutting an apple, the paring knife broke in half! The worst part, is HSN has not returned my money, OR given me a new knife set, as I don't have "proof" that I sent it back to Plano, Texas.....in spite of the fact that I returned the set exactly as described by HSN.

They came very sharp - it doesn't last long & then one at a time the blades started to snap in half when using the knife one while I was cutting a turnip & so on.

My **paring knife broke** and I called the warranty number. You are asked to leave your name and number and they never get back to you. These are too expensive to be throw-away knives. They look nice in the stainless steel but it would be nice to be able to replace them when they break.

I think the presentation is beautiful with my stainless steel appliances. I bought my set in March. I don't use them everyday, maybe 1 or 2 times a week. **This week the 7in snapped in two pieces just cutting a chicken breast.** I called hsn, they gave me a number to call for warranty info., so we will see.

Two blades broke within a 5 month period. One blade broke in half while I was cutting a block of cheese. Another blade broke in half when I accidentally dropped it on the kitchen floor.

ABOUT EMERIL LAGASSE

WORTH THE MONEY... paris2, AL ★★★★★★ 8/8/2012

I BOUGHT THE STANLESS STEEL. IT IS A NICE SET. THE KNIVES ARE SHARP. I LIKE ONE THE BLOCK WHERE YOU DON'T HAVE TO GUESS WHICH KNIFE GOES WHERE IT HAS IT ON THE BLOCK. CLEANS WELL ALSO. THE ONLY THING WAS WHEN I OPENED THE PACKAGE IT WAS SO DUSTY THAT YOU REALLY HAD TO CLEAN THE BLOCK. BUT ON THE OTHER HAND I LOVE THESE KNIVES.
