SUPREME NUTRITION

WHY FEED PREMIUM PET FOOD?

MORE NUTRITION FEED LESS

Only the highest-quality ingredients are used in Premium Pet Foods, so they are more nutritious and digestible than Supermarket Brands. It takes less food to meet the nutritional needs of your pet.

PREMIUM PET FOOD SUPERMARKET BRAND FOOD

BETTER VALUE SPEND LESS

Rich in nutrients, Premium Pet Food packs more protein and energy per mouthful than Supermarket Brands. It takes less food to feed your pet, so you get more for your money.

STOOL VOLUME FOR PREMIUM PET FOOD

STOOL VOLUME FOR SUPERMARKET BRAND FOOD

EASIER CLEAN UP LESS WASTE

Feeding smaller amounts of highly digestible Premium Pet Food means lower stool volume and easier backyard clean up.

Eukanuba

Vital Health System

Found only in Eukanuba® Dog Foods

The Eukanuba Vital Health System™ targets six Essential Health Functions, delivering nutrients when and where they're needed for total body health every day.

THE EUKANUBA VITAL HEALTH SYSTEM™

Targeted Nutrition For Total Body Health Every Day.

Vital Organ Health

Supports healthy function of vital organs such as the heart and kidneys, and the immune system

Digestive Health

Promotes a healthy digestive process and helps maintain a healthy gastrointestinal tract

Oral Health

Promotes overall health in the mouth by reducing tartar buildup

Skin & Coat Health

Helps rejuvenate dry skin and produce a soft, healthy coat

Bone & Muscle Health

Promotes flexibility and mobility by maintaining strong bones and lean muscle mass in dogs. Also supports the natural regeneration of joint cartilage in dogs

Sensory/Mental Health

Promotes optimal vision, hearing, and brain function with essential vitamins and minerals
