Vital Health System

Found only in Eukanuba® Dog Foods

The Eukanuba Vital Health System™ targets six Essential Health Functions, delivering nutrients when and where they're needed for total body health every day.

THE EUKANUBA VITAL HEALTH SYSTEM™
Targeted Nutrition For Total Body Health Every Day.

- Skin & Coat Health
- Sensory/Mental Health
- Bone & Muscle Health
- Digestive Health
- Vital Organ Health
- Oral Health

Vital Organ Health

Supports healthy function of vital organs such as the heart and kidneys, and the immune system

Digestive Health

Promotes a healthy digestive process and helps maintain a healthy gastrointestinal tract

Oral Health

Promotes overall health in the mouth by reducing tartar buildup

Skin & Coat Health

Helps rejuvenate dry skin and produce a soft, healthy coat

Bone & Muscle Health

Promotes flexibility and mobility by maintaining strong bones and lean muscle mass in dogs. Also supports the natural regeneration of joint cartilage in dogs

Sensory/Mental Health

Promotes optimal vision, hearing, and brain function with essential vitamins and minerals
