Cathy, I will find the proposed stipulation and forward it to you. In terms of the extension, I am authorized to agree to an extension of discovery responses until June 30 on the following conditions: (1) you provide whatever veterinarian names and records you have already gathered on Monday, and (2) you provide the purchase locations for the pet food and snacks bought by Kotzampaltiris, Hopkins-Jones, Gaglione and Lucarelli by Monday. If that is acceptable with you, please confirm. Thanks!

I am working on obtaining consensus and will get back to you soon. Also, have you had a chance to review the deposition stipulation? We'd like to start planning internally for travel, etc. Thanks!

Any news on the enlargement? If I do not receive it, I will have to move the Court. Please advise.

Hi Juli,

I can provide the locations that plaintiffs Kotzampaltiris, Hopkins-Jones, Gaglione and Lucarelli purchased the pet food or treats at issue here, in addition to the veterinarian records that I have collected and the names of the veterinarians for aforementioned Plaintiffs on Monday.

Thanks for your professional courtesy.

Cathy,

Phil Sechler is out of the office this afternoon, but asked me to update you with regard to plaintiffs' request for an extension as to discovery. We forwarded your request to the other defendants for consideration, and currently, the defendants appear amenable to an extension until June 30 for plaintiffs' discovery responses if you can agree to provide on Monday the locations that plaintiffs purchased the pet food or treats at issue here, in addition to the veterinarian records you have already collected and the names of the veterinarians for the first group of plaintiffs to be deposed. Can you please let me know whether that agreement is acceptable to you so I can let the other defendants know? I will plan to let you know by COB tomorrow (or sooner, if I hear back from all defendants before then) what the decision is with regard to the extension. Thank you.
