Re: Your Client's Criminal Obscenity Trafficking

Dear Alvin:

Thanks for your letter of even date. I appreciate your endorsement therein of Judge Jordan and that "I [you] will rest upon his judgment."

Judge Jordan found that what your client is trafficking in is "obscenity." It's in the order. That would make Norm Kent a criminal. So glad you are endorsing the Judge's judgment.

I'm not sure how one defame an obscenity trafficker.

Thanks!

Regards, Jack Thompson
