

IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF FLORIDA

JOHN B. THOMPSON,

Plaintiff,

v.

Case No. 07-21256 (Judge Adalberto Jordan)

THE FLORIDA BAR and
DAVA J. TUNIS, JOHN HARKNESS,
AND FRANK ANTONES,

Defendants.

**PLAINTIFF'S NOTICE TO THE COURT OF CRIMINAL A) WITNESS
TAMPERING, B) EXTORTION, C) OBSTRUCTION OF JUSTICE,
D) RETALIATION, AND E) CONSPIRACY BY THE FLORIDA BAR
AND DEMAND FOR A HEARING**

COMES NOW plaintiff, John B. Thompson, hereinafter Thompson, as an attorney on his own behalf, and provides notice to the court as follows:

Within the last two weeks, plaintiff informed this court that The Florida Bar sought to intimidate a witness, Miles Gopman. Upon the court's being informed of this, the court did absolutely nothing. It denied Thompson a hearing on his motion to show cause, although this court was lightning quick to refer Thompson to the *Ad Hoc* Committee for reasons too familiar and too ridiculous to reiterate.

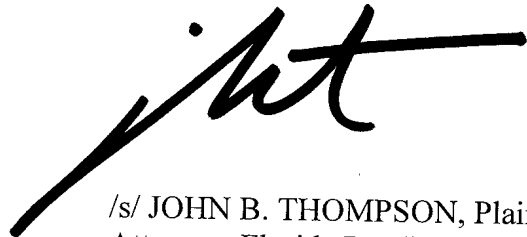

Today plaintiff herein is informed by Miles Gopman, that the Florida Supreme Court has just decided to refer Mr. Gopman to a referee to be chosen by Chief Judge Farina. This is not a coincidence. This has been orchestrated by the very same people who have criminally infringed upon Thompson's constitutional rights. Help Jack Thompson and we will make you wish you had not, is the message that is being sent. The Florida Bar has decided, in order to try to further intimidate a witness who can

corroborate what Thompson has alleged herein, to engage in witness tampering, extortion, obstruction of justice, retaliation, and conspiracy to violate both Mr. Gopman's constitutional rights as well as the plaintiff's herein.

Thompson asked for a hearing on this matter, and now he demands it. This situation is now frightening and also absurd, and it is so because this court was more concerned about tidiness in our public court file than in protecting the constitutional rights of citizens.

It appears that The Florida Bar now is in such a fury that it doesn't recognize its own self-destructive behavior. This is the most remarkable self-immolation by any regulatory entity that Thompson has ever seen or heard of.

I HEREBY CERTIFY that this has been served upon record counsel this 29th day of October, 2007, electronically.
